Young Pacifists, Cowards, Old Pacifists Theorists, Declares Illinois Major

Washington, D. C., Jan. 26.—Young pacifists are cowards; old pacifists are theorists, Maj. Robert H. McCormick, of the Illinois national guard and a Chicago publisher, declared before the senate military subcommittee Thursday in endorsing universal military training.

He said proper military legislation would not be enacted until all members of congress had actual military experience or had relatives in the army or navy.

Long training periods for all American youths upon attaining 18 years as recommended by Maj. McCormick, he said, would be a waste of time and money during the border mobilization and denied that prejudice exists among regular forces against the state troops.

BIG GUNS TO BE ON REVIEW

Parade of 6 Artillery Regiments Saturday Biggest Ever Held in the U. S.

A review of all artillery organizations of the El Paso military district will be held at 3:30 o'clock Saturday morning by Brig. Gen. E. S. J. Groble, commander of the provisional artillery division on the artillery drill grounds north of the fifth field artillery camp on the Fort Bliss reservation.

The review will be the largest of its kind ever held by the United States army, it is said. Six full regiments of artillery will be represented and it is the first time that this number of regiments has ever been assembled at one point in the United States. Prior to the act of June 2, 1916, increasing the number of artillery regiments, there were only six regiments in the army.

All Sizes of Guns Ordered. Every class of gun in the army will be in review. The different sized field pieces which will be seen are three inch, 3.8 inch and 4.2 inch caliber rifles and 4.7 inch and 6.7 inch caliber howitzers. The organizations will be the fifth and sixth regiments of the regular army, the Georgia and Connecticut batteries of the 10th division, the Michigan, Ohio and District of Columbia organizations of the 15th division, and the second and third Pennsylvania artillery regiments.

One battery which will take part in the review will be propelled by caterpillar tractors.

AGED CHAPLAIN FAVORS UNIVERSAL ARMY TRAINING

Washington, D. C., Jan. 26.—Universal military training in the United States will not make for militarism, bishop Samuel Fallows, of Chicago, chaplain of the famous Iron Brigade of the Civil war, told the senate committee considering universal training legislation.

"We never can be and never will be a military nation," said bishop Fallows. "The test of that came at the close of the civil war when 2,000,000 men were mustered out, flushed with victory and under the command of a man who became president of the United States. There were predictions that Grant would become dictator. Instead of becoming dictator, he could not be nominated for a third term and that great army melted like snow flakes in the stream of American life."

ARMY HOSPITAL TRAIN DUE HERE ON SATURDAY

Orders have been issued for the United States army hospital train en route here from Hot Springs, to proceed to Columbus, N. M., to transfer soldier patients to the general hospital. The train will reach El Paso Saturday afternoon from Fort Sam Houston, Tex. On its return trip eastward, the train will carry nearly 100 patients from the Fort Bliss base hospital to Hot Springs.

OPPOSES CITY RAZING HIS HOME; CASE PENDING

D. Howe and passed by agreement of the parties. Alvarado claims that the city proposes to destroy his home unless he does it and reconstructs it. He says he has lived there 28 years.

VILLISTAS TAKE PARRAL, CHIHUAHUA ARRIVALS SAY

The capture of Parral by Villistas was reported here late Thursday to government agents by persons arriving from Chihuahua. The arrivals said that refugees from Parral had reached Chihuahua saying that Villistas from Durango had made an attack on the city, forcing the Carranza garrison, commanded by Gen. Jacinto Hernandez, to flee to Jimenez.

Later the report was that Hernandez retired to Santa Rosalia and his men were defeated by a second band of Villistas.

Railroad communication south of Chihuahua, between Orix and Santa Rosalia, was reported to be destroyed so that it will take weeks to repair it.

GONZALES TAKES TROOPS TO HOLD WEST CHIHUAHUA

A military train arrived at Juarez from Chihuahua City at noon Friday bringing Gen. Pablo Gonzales, his staff and a troop escort. A military train was being made up in the Mexico North Western railroad yards and Gen. Gonzales was expected to leave for Casas Grandes on this train to take command of the Carranza forces, which are being sent into the district being evacuated by Gen. Pershing. He will take 200 troops from the Juarez garrison, he said. He is not the Gen. Pablo Gonzales who has been fighting Zapata.

QUEVEDOS ROB TRAIN AT LAGUNA; GUARDS DISARMED

Confirmation of the holdup of the passenger train which left Juarez for Chihuahua Tuesday, by Villistas under Rodrigo and Silverio Quevedo near Laguna was received here Friday by government agents. According to the reports, the train was stopped and the passengers and the baggage cars were robbed. The Carranza guard aboard the train made no resistance and were disarmed by the Villistas, the reports said.

CARRANZA PAYMASTER COMES TO BORDER FOR MONEY

A military train has reached Juarez from Chihuahua City bringing Col. Solis, paymaster of the Chihuahua troops, to the border to secure funds to take to Chihuahua to pay the Carranza garrison. The paymaster had an escort of about 200 men.

SALAZAR SPLITS WITH VILLAS; SAYS WOULD NOT ATTACK JUAREZ

A "split" between Villa and his chief lieutenant, Jose Luis Salazar, is reported to have occurred near San Andres, this week. Salazar is reported to have withdrawn all his men from the Villa movement and stood out independently against the Carranza government. The "split" is reported to have resulted from Villa's refusal to move on Juarez, which Salazar was anxious to do.

MEXICAN PRIESTS ARE TO RECEIVE FRIAL

Washington, D. C., Jan. 26.—Representations by the United States for a fair trial for two Mexican priests in danger of death at Zacatecas on a charge of aiding Villa have been successful. The American embassy in Mexico City has been informed that, as a result, they will not be tried under a law which gives them no opportunity for defense.

35 VILLISTAS MOVING EAST.

Official reports received in Juarez Friday morning were that a band of 35 Villistas had appeared at Santa Sofia, a station on the Mexico North Western railway, north of Casas Grandes. The Villistas remained there only a short time and then moved eastward. There are no Carranza troops stationed at Santa Sofia, it is said.

VILLISTAS HOLD RACHIMBA PASS AND ORTIZ BRIDGE.

Villista troops were reported in the vicinity of Rachimba pass and near the Ortiz bridge Wednesday, guarding the Mexican Central railroad to prevent Carranza troops from repairing the road where it had been cut to prevent the Carranza reinforcements from arriving in Chihuahua City from Torreon.

Cobb's Men Mistakenly Fly a Distress Signal; Gen. Bell Offers Aid

An inverted American flag displayed on the federal building flagpole Friday caused army officers to believe collector of customs Z. L. Cobb with inquiries to the army and navy departments in distress or needed help, as the flag indicated.

Gen. George Bell Jr., commanding officer of El Paso, was the first to notice the distress signal. He called collector Cobb by telephone and offered assistance. The customs house force reported no trouble to the commanding general and when told of the flag immediately ordered it righted.

An inverted American flag, according to army regulations, denotes that forces within any fort or position are in distress and in need of immediate help. It also announces that a mutiny is in progress.

The mistake at the customs house was made by a new employee.

NEW BILL PROPOSES HELP FOR SCHOOL SUPERINTENDENTS

A letter received in the office of the county school superintendent from state superintendent of schools W. F. Doughty, explaining a bill about to be introduced into the legislature to secure needed legislation or the offices of the county school superintendents, asks the opinion of the local office with regard to the bill and for any information which might be of assistance in its passage.

Mr. Doughty's letter states that the main issue of the bill provides for a very substantial increase in the salary of the county superintendents; adequate office expense, necessary office of the county board of school trustees and the county superintendent may desire to employ, and of the selection of the county superintendent by the five county school trustees.

A CHILD DOESN'T LAUGH AND PLAY IF CONSTIPATED

If peevish, feverish and sick, give "California Syrup of Figs."

Mother! Your child isn't naturally cross and howling. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company."—Adv.
